

MOLINE'S SECTION OF THE ARGUS

Day's News Happenings in Rock Island's Sister City

COX FAMILY HAS YEARLY OUTING

Many From Outside County Attend Reunion Held at Campbell's Island.

BRANCH IN STARK COUNTY

Three Brothers Bring Word of a Numerous Clan of the Same Lineage Near at Hand.

Charles Cox of Pittsfield, Ill., Thursday was again chosen head of the Cox family association at the business meeting that marked the main day of the week's reunion at Campbell's island. There were 125 members of the family, descendants of Joseph and Mary Cox, who settled here in 1836, present. Mrs. Eliza Henderson of Albia, oldest member of the family, who was vice president, having died during the year, Williamson Cox of Miller, Neb., was chosen to that office. Kenneth Cox of Davenport was named to succeed Daisy Cox of Albia as secretary and treasurer.

The week's reunion has been one of the most enjoyable yet held by the family, a number of whom have taken one of the larger cottages at the island and are spending the week there. Meetings are held at this cottage. Of the number at the meeting Thursday at least 50 were from outside the county, states as far away as California, New York and Pennsylvania being represented.

TELL OF NEW BRANCH.

A surprise was sprung in the presence of three brothers, John, Walter and Luke Cox from Wyoming, Ill., who brought word that the Cox family has a branch of three score members in Stark county. While they are not direct descendants of the pioneers of Rock Island county, they are closely connected and it is the intention of the three brothers to look up their family tree and make a report on the same at the next reunion here.

Ernest Cox of Moline had at the meeting of the prize family heirlooms, the old "grandfather's" clock, which was purchased by his grandfather 110 years ago. Mr. Cox related the history of this timepiece during the afternoon. The program opened with an address by President Cox, the oldest member present. P. F. Cox of Rock Island then welcomed the visitors and a response was made by Fred Cox of Scranton, Pa. Then Mrs. Mattie Dyal of Mount Pleasant, Iowa, took charge and introduced the speakers, who responded to toasts as follows:

Grandfather's Clock—Ernest Cox, Moline.

Our Revolutionary Heroes—Walter Cox, Chicago.

The Boys in Blue—H. S. Cox, Plainview, Tex.

Our Camp Fire—Kenneth Cox, Davenport.

To the Future—Lee Rue Thomas, Mt. Pleasant, Iowa.

A Toast to Those We Love the Best, Our Noble Selves—Jay Cox, Moline.

The New Woman, She Needs No Eulogy, She Speaks for Herself—Mrs. Kittle Cox Adams, New York.

SOME OF THE VISITORS.

Among those from outside the county, who attended the reunion, were: Allan Tinker, Los Angeles, Cal.; Mr. and Mrs. Williamson Cox, and son, Roy, Miller, Neb.; Frank Cox, Custer, S. D.; Fred Cox, Scranton, Pa.; Mr. and Mrs. H. S. Cox, Plainview, Tex.; Mr. and Mrs. Will Dyal and son, Tom, Mt. Pleasant, Iowa; Mr. and Mrs. George Sides, Abingdon; Mr. and Mrs. Rupert Cottingham and son, George, Galesburg; Mrs. John Cox and Mrs. Ella Asher, Galesburg.

TIGERS PLAY IN GENESEO SERIES

Will Compete With Teams from That City, Sherrard, Atkinson and Sheffield.

Moline will be represented in the baseball tournament to be held at Geneseo Aug. 24-27 by the Tigers. The other contestants will be Geneseo, Atkinson, Sherrard and Sheffield. Baseball scouts will probably be on the ground to look over the new crop of promising youngsters. There will be two games on each of the first two days and three on each of the last two, one contest being held in the morning on the 26th and 27th. Following is the schedule:

SUNDAY, AUG. 24.

1:15—Sheffield vs. Atkinson.

3:15—Sherrard vs. Moline Tigers.

MONDAY, AUG. 25.

1:15—Geneseo vs. Sherrard.

3:15—Atkinson vs. Moline Tigers.

TUESDAY, AUG. 26.

10:30—Geneseo vs. Moline Tigers.

1:15—Atkinson vs. Sherrard.

3:15—Geneseo vs. Sheffield.

WEDNESDAY, AUG. 27.

10:30—Sherrard vs. Sheffield.

1:15—Geneseo vs. Atkinson.

3:15—Sheffield vs. Moline Tigers.

To Play at Sherrard.

The Moline Flinders will play with the Matherville nine at that place Sunday. A party of rooters from here will accompany the team, which will line up as follows: Staes, 1b; Anderson, 2b; Scott, 3b; Krone, ss; Brown, c; Gellerstedt, p; Kipping, lf; Anthony, cf; Peterson, rf.

Carpenters to Picnic.

Moline carpenters will hold a picnic at Campbell's island tomorrow. They will take their families and their dinners and spend the day enjoying the amusements that the resort affords.

DISPATCH TAKES THE CHALLENGE

Accepts Terms for Rassele With The Argus for Newspaper Baseball Championship.

It looks as if there would be a ball game.

This afternoon the Moline Dispatch will print the following:

TO THE ARGUS,

Rock Island, Ill.

Greetings: You're on.

MOLINE DISPATCH.

That means that the challenge has been accepted. The game of battle has been taken up. The die is cast. There is no going back. Tomorrow afternoon at 3 o'clock The Argus and the Dispatch will come together with terrific impact on the Watch Tower diamond. Blood will flow down the ravines and the waters of the historic Rock will be stained a lurid crimson. Those having weak hearts and who faint at the sight of blood are warned to remain away.

It's going to be some struggle. As a spectacular attraction for the popular resort triple parachute drops from a balloon, the high dive or the slide for life into Rock river from the top of the tower will be as monotonous as holding the baby on a hot afternoon. If old man Black Hawk himself could see it it would give him more thrills than he ever experienced when from the top of a tree just west of the diamond some years back where he watched a cavalcade composed of Abe Lincoln, Zach Taylor, Jeff Davis and a few others coming down the hills across the valley for the purpose of getting his goat.

It's going to be a regular hum-dinger of a game.

SAYS BEER WAS A GIFT TO GUESTS BUT IS FINED \$50

George Devalis of East Moline was fined \$50 and costs yesterday in police court for the illegal sale of intoxicating liquors at his coffee house, 1532 Sixteenth avenue. Devalis claims that he was entertaining a party and served the drinks without charge. His attorney appealed the case.

BERKELL WILL MANAGE VAUDEVILLE AT FAMILY

Charles Berkell has accepted the offer of Joe Rosenfield to manage the vaudeville bills at the family theatre, Moline. Mr. Berkell is now on the job and is arranging his opening bill, which he claims will be better than anything ever seen at this house.

The lighting arrangement of the stage is all being rearranged, and will be a big improvement over the old lighting system, everything in the theatre will be put in apple pie order for the opening which takes place Sunday matinee, Aug. 21.

COMMERCIAL FISHING IN ROCK RIVER TO END

The new Illinois state game and fish commission has designated Rock river as a fish preserve, acting on petition from fishing clubs at Sterling and Dixon. This means that the river will be stocked with fish by the state and that commercial fishing in the stream from the point where it enters Illinois to the mouth will be prohibited entirely, only pole and line fishing being permitted. This will probably have considerable influence in cutting down the supply of fish in the Rock Island and Moline markets, a great part of the local supply coming from Rock river.

With the use of nets entirely prohibited Rock river should become one of the best pole and line fishing streams in the country, rivaling the Illinois, where game fish always abound.

EXTRA GAME IS NECESSARY IN FACTORY BALL LEAGUE

There will be seven games tomorrow in the factory league, a double-header being necessary to settle a protest. Root & Vandervoort and the Deere Harvester teams will play the extra contest on the Riverside grounds.

The schedule for tomorrow follows:

Browningfield—Deere & Co. vs. Moline Plover company.

Augustana campus—Deere Wagon company vs. Velle company.

Riverside—Cooper company vs. Root & Vandervoort; Deere Harvester vs. Root & Vandervoort.

East Moline—Deere Harvester vs. Silvis Shops.

Watertown—Deere & Mansur vs. Marseilles.

Campbell's Island—Mutual Wheel vs. Union Malleable.

FORNICATION CHARGED TO KEEP GARNETT IN CUSTODY

William Garnett, colored, better known as "Dollar Bill," who was arrested yesterday on the charge of holding up a man in Rock Island Aug. 2, and taking \$25 from him, was held to the grand jury in police court today on the charge of fornication. He was sent to the county jail because unable to furnish \$500 bail. The Rock Island police have issued a warrant for Garnett's arrest on the robbery charge, and will take him into custody immediately upon the termination of his sentence for fornication.

BALL BARELY MISSES EYE

Six-year-old East Moline Lad Stops Pellet From Air Rifle.

An argun in the hands of a boy nearly caused the loss of one eye to Samuel Kouchooskos, a 6-year-old East Moline lad, Thursday. While the two were playing in an alley near Eighth street the boy with the weapon accidentally shot the Kouchooskos youngster in the face, the pellet missing the eyeball by a fraction of an inch. A physician removed the ball.

atre will be put in apple pie order for the opening which takes place Sunday matinee, Aug. 21.

There will be three performances on Sundays and holidays, and as the day after the opening is Labor day, there will also be three performances given then, matinee 2:45, 7:30 and 9:30 in the evening. The prices will remain the same with the seating arrangement a little different than last year, so people will not be compelled to crowd in order to get seats, five rows in the balcony will be reserved at 20c, and can be reserved the same as the downstairs seats.

Mr. Berkell is well known to the vaudeville going public of the tri-cities, as the former owner and manager of the American theatre in Davenport. He is bringing with him the exclusive franchise for the three cities of the Pantages circuit, which attractions he has played in Davenport for the last three years.

READY TO BEGIN REPAVING THIRD

Old Brick from Avenue Will Be Used in Improvements of Other Streets.

Next week will see the beginning of the only street improvement project undertaken thus far this year in Moline, the repaving of Third avenue from First to Eighteenth streets. Contractor Rudledge of Rockford, whose terms were accepted by the commission, is in the city and says he will have a gang of men at work by Tuesday or Wednesday. Brick will be used in the resurfacing.

While owners of property fronting on the avenue will be given the old brick if they want it, the city plans to use what is not claimed on some of the other streets. Railroad avenue from First to Eleventh street, and River drive east of Twenty-sixth will be improved with the old brick, which will be scattered and crushed with the roller.

Improvement of the road over the sand hill south of the Moline Rock river bridge, which the city has undertaken, has been about completed. Dirt has been hauled on the roadway, which is thereby made firm enough to support vehicles. Heretofore in dry weather the sand ridge has been almost impassable for heavy loads and automobiles.

LOAN ASSOCIATION WILL BE REVIVED

Revival of the Moline Loan and Homestead association seems assured, judging from the enthusiasm manifested by members of the Greater Moline committee in the project at the luncheon today noon, when \$27,000 was pledged. A committee was appointed to canvass the merchants of Moline and endeavor to sell \$50,000 worth of stock. Deere & Co. has agreed to purchase \$25,000 worth of stock on condition that the committee raise \$75,000 additional to bring the amount up to \$100,000. The campaign will end next Thursday evening. The purpose of again putting the association on its feet is to promote interest in the matter of providing the city with more homes for the working class. After the association has been placed on a substantial basis, working men will be encouraged to build their own homes with money advanced by the association.

A joint reception under the auspices of the Greater Moline committee and the Moline Commercial club will be given for Arthur G. Brown, recently appointed secretary of the former organization, some time the early part of September. The exact date will be announced later.

OBITUARY RECORD

MRS. CHRISTINA FRYXELL.

Death called Mrs. Christina Fryxell at her home, 2621 Fifth avenue, at 3:15 this morning. She had been ill for several months. Her maiden name was Johnson and she was born in Sweden Sept. 4, 1859, coming to America and to Moline in 1885. In that year she was married to Charles Fryxell. The husband died in 1894. Three children survive, Mrs. William Lindstedt, Oscar and Winnie, all of this city. Other survivors are a brother, John S. Johnson of this city, a sister, Mrs. Peter Johnson, in Rockford, and another sister and her mother in Sweden. The funeral will be held from the home at 2:30 Sunday afternoon, with interment in Riverside cemetery.

BEHARINSKI.

Mr. and Mrs. Kaston Beharinski mourn the death of their 13-months-old daughter who died yesterday at the home, 916 Railroad avenue. The funeral was held from St. Mary's church this morning at 8:30 with Father Kelly officiating and interment in St. Mary's cemetery.

DRAGGED BY STREET CAR

Lad Has Close Call When He Tries Easy Plan to Climb Hill.

Riding up Fifteenth street hill on a bicycle by holding to a street car cost a boy his mount, some bruises and a bad scare Thursday afternoon. His name was not learned. After he had caught hold of the car he lost his balance and the bicycle went under the wheels. He clung desperately to the hand rail and was dragged along the pavement for half a block before the members of the crew noticed his predicament and brought the car to a stop. He was not seriously hurt.

FLORISTS MEET AT VELIE FARM

Tri-City Organization Will Be Well Represented at the National Convention.

Tri-city florists met Thursday afternoon at the Velie farm on South Seventh street, being guests of P. G. Pearson, gardener, florist and constructive engineer at the Velie establishment. The discussion was on floral types and followed a luncheon served by the host. Harry Bills and Superintendent Bills of the Davenport city parks were among those who talked. Later the florists inspected the new Velie residence, which will soon be ready for occupancy.

The next meeting will be held with Ludwig Stapp at his new office in South Rock Island, the second Thursday in September.

Six members of the tri-city association will attend the meeting of the National Florists' association at Minneapolis next week. They are W. C. Wilson, William Knoes and A. Anderson of Moline; Henry Meyer of Rock Island, and Harry Bills and Henry Paule of Davenport. The trip will be made by boat, the party leaving tomorrow.

DAIRYMEN WILL HOLD PICNIC WEDNESDAY

One hundred members of the Dairy-men's Protective association will have their annual outing at the Cedarberg, otherwise known as the Norwegian camp on Rock river next Wednesday. It will be an all day event and open to members of the families of both producers and vendors of milk. The usual picnic features, dinner, ball game and other sports are planned. In the evening there will be dancing. In addition the members will listen to an address on the care of milk by Professor Bryan of the University of California, who will be in Moline next week and who has accepted an invitation to attend the picnic and to speak. His address is expected to be highly instructive.

LOAN ASSOCIATION WILL BE REVIVED

Revival of the Moline Loan and Homestead association seems assured, judging from the enthusiasm manifested by members of the Greater Moline committee in the project at the luncheon today noon, when \$27,000 was pledged. A committee was appointed to canvass the merchants of Moline and endeavor to sell \$50,000 worth of stock. Deere & Co. has agreed to purchase \$25,000 worth of stock on condition that the committee raise \$75,000 additional to bring the amount up to \$100,000. The campaign will end next Thursday evening. The purpose of again putting the association on its feet is to promote interest in the matter of providing the city with more homes for the working class. After the association has been placed on a substantial basis, working men will be encouraged to build their own homes with money advanced by the association.

A joint reception under the auspices of the Greater Moline committee and the Moline Commercial club will be given for Arthur G. Brown, recently appointed secretary of the former organization, some time the early part of September. The exact date will be announced later.

URNS BICYCLE AGAINST A POLE

Caught in a pocket while trying to avoid an automobile last evening, William Hellstrom, living on Twentieth street in the Highland addition, turned his bicycle into a telephone pole. His head struck the obstruction with such force that he was knocked unconscious and it was at first thought he had been killed. Today, however, his physician stated that he was in no danger, having sustained no broken bones, and would be out in a few days. Hellstrom was returning from work on his wheel and it was at Fifteenth street and Twentieth avenue that the accident took place. He was traveling at fair speed when he met an auto. The driver of the machine supposed he would pass on the left, and gave way for him. Instead, however, he turned to the right and was caught in such a narrow space that he was forced to collide with the pole to avoid falling under the auto.

HEARING FOR EMPLOYEES

One of First Cases Under Liability Act to Come Up Tomorrow.

One of the first hearings under the employers' liability act will come up Saturday when the case of Otto Kannenberg against Deere & Co. will be decided. Frank A. Gustafson has been appointed to act for the employee, H. W. Cooper for the company and W. S. McClure, the third member, is named by the board. Kannenberg was injured in the Deere shops Nov. 6, 1912, losing two fingers from the left hand and having the other fingers on that member badly damaged. Another case set for an early hearing is that of Fred Alsene against the Mutual Wheel company. Alsene sustained a bad cut on the wrist in December. Under the law the employee cannot ask for any specified sum for the injuries, everything being left to the board.

Are Laid Off.

Four employees of the Watertown hospital have been temporarily laid off on account of alleged drunkenness. Their cases will be investigated by the state board of charities and if the findings of the commission warrant, the employees will be discharged.

Beder Wood May Recover.

Beder Wood, who was injured a week ago today by a steam pipe on his hand and foot, has shown some signs of improvement during the past two days and the attending physician holds out hopes for his recovery.

Woman Resists Arrest.

A young woman was picked up by

the police Thursday evening in an intoxicated condition. She made strenuous objection to being taken to the police station, throwing herself to the sidewalk and screaming at the top of her voice. She was fined \$5 for disorderly conduct. She gave her name as Annie Jacobson.

HURT WHILE UNLOADING EQUIPMENT FOR A CAMP

Charles McIntyre, a camper at Campbell's island, while helping unload some camping equipment Thursday, sustained a bad cut in the right leg just below the knee. He was taken to the city hospital for treatment. He was handling a heavy package with a sharp projection, and it slipped from his grasp, and in falling struck his leg. The gash cut was four inches in length.

Departs for South.

M. W. Palmer will depart tomorrow for a stay of 10 months in South America, where he represents the sales department of the Moline Plow company. He will visit Chili, Peru and Argentina. Mrs. Palmer and their youngest child will accompany him as far as Havana, Cuba, which will be the first stop.

WHEN THE MISSISSIPPI

COMES STEAMING DOWN THE RIVER EVERYBODY IS HAPPY

Here for three days only, Saturday, Sunday and Monday, 16th, 17th, 18th.

Two trips Sunday.

This mammoth excursion equipment is now on its way from St. Paul, after having shattered all records made by any excursion steamer plying north of St. Louis.

A much larger orchestra is now being carried than ever before and we can state without fear of contradiction that there is no music or dance floor that even claims to compare with the big Mississippi. That these features are what the public want is proven by the fact that we have carried more passengers than any boat on western rivers.

"You have tried to dance on the rest, Now try to keep from dancing on the best."

I am Zephyr—with fame I've met
Wherever I've been known;
That's because I always was
A friend to every home.

Let Zephyr Show You

Everybody should eat more of the light, digestible Bread, Cakes, Biscuit and Pies that can be made so easily with

ZEPHYR FLOUR

Do it for Health's Sake—for the sake of your pocketbook, too. Zephyr Flour contains the food elements for the making of strong-minded, strong-bodied, vigorous men and women. Good light bread is better than loading the stomach with the heavy foods that are hard to digest and it costs less. Two great facts.

Get the Habit—Eating Zephyr Flour
Good Things are High Living at Low Cost
